*Eau Spa will be offering a limited menu for re-opening, as well as, limited amenities. The Spa will offer massages, facials, and salon services including manicures/pedicures, hair cut & color. The Spa wet lounges will remain closed during Phase 1 and will re-open based on local & state guidelines and expert recommendations. Operations will be focused on sanitation and maintaining social distancing by staggering appointment times and seating throughout the spa, including salon service stations. Guest will be asked a series of wellness questions prior to and upon arrival to ensure the safety of our guests and employees. During Phase 1, Eau Spa will not be accepting group reservations to maximize social distancing and spacing of appointments. Our team members will be wearing personal protective equipment & will be frequently washing their hands while performing Spa and Salon Services to ensure the health and well-being of all. Any additional requirements or changes will be communicated during the appointment confirmation the day prior to the appointment.
